# INTRODUCTION

I am currently a CIT (Certificate in Information Technology) student, learning the fundamentals of computers. My main focus right now is on MS Office applications such as Word, Excel, and PowerPoint. These tools are very useful for both professional and personal tasks, and I am excited to improve my skills step by step. For me, this journey proves that learning never stops, no matter the age — there is always something new to explore and achieve.

# EDUCATION

My name is Shahid Hussain, and I am living in Pakistan with my family. I completed my Intermediate from DJ Science College. Education has always been an important part of my journey, and I continue to value learning at every stage of life.

# SKILLS & STRENGTH

I have developed skills in using MS Office applications, including Word for documentation, Excel for data handling, and PowerPoint for creating effective presentations. I am also running my own company named "Pakistan Contractors".

Our Services are:

- Men power supplier like janitorial worker, Glass cleaner. etc
- Building maintainers, labor supplier. Like plastering, plumber and welder etc
- General order supplier.
- Solar energy installer.

# HOBBIES AND INTRESTS

In my free time, I enjoy spending quality time with my family and engaging in activities that help me relax and stay positive. I have a keen interest in learning new technology skills, as I believe it keeps the mind active and sharp. Apart from this, I like reading, exploring new ideas, and staying connected with people who inspire me to grow. My hobbies and interests keep me motivated and bring balance to both my personal and professional life.

THANK YOU
